

THE GAZETTE.

FRIDAY EVENING, APRIL 13, 1866.

THE SO-CALLED "UNION" PARTY.—The Radicals affect the name of Union party. As an artful, but not unusual strategy, they assume the name just at the moment that they abandon the policy indicated by it. What sort of Union are they in favor of? Not the Union as it existed before the war; not the Union contemplated by the Constitution. If in favor of any union of the Southern with the Northern States, which we seriously doubt, it is a union based upon conditions not contained in that instrument, and not recognized by the other two coordinate branches of the Government, the executive and judiciary. It is a union based upon conditions so manifestly repugnant to the Constitution and common justice, to the rights of the States and the sentiments and tastes of the people of the South, that no President, from Washington down to Lincoln, would for a moment have given his sanction to them. There is not one of our former Presidents who, similarly situated, would not have frowned, as President Johnson does, upon any attempt to make such a union, upon such conditions. —*Richmond Whig.*

GUANO—REED'S AMMONIATED SUPERPHOSPHATE OF LIME.—The best superphosphate yet offered to the farmer, possessing all the activity of Peruvian Guano, but containing a large amount of animal matter in highly concentrated form, which, combined with its soluble bone phosphate of lime, cannot fail to render it very valuable as a fertilizer. Notwithstanding we believe it to be the best superphosphate in the market, yet, by a process peculiar to its manufacture, whereby the expenses are lessened, we are enabled to sell it very low, with a liberal discount to dealers.

Land Agencies.

AGENCY

FOR THE PURCHASE AND SALE OF REAL ESTATE IN VIRGINIA.

We have in our hands for sale a large number of VALUABLE FARMS in Loudoun, Fauquier and other counties in "the Piedmont region" of Virginia—a section of the State which is justly celebrated for its wealth, society, soil, fine grass and peculiar adaptation to stock raising.

Many of these farms are equal to any in the State; some of them are priced VERY LOW, and none of them higher than they would have been before the war.

Among these we name the following:
LOUDOUN COUNTY.

1st. A farm of 400 acres, four miles north of Middleburg, enclosed and divided with stone and rail fences, in fair order, a large frame dwelling-house, and all necessary out-buildings, in good repair, with plenty of wood, and abundance of wood and water. This is a remarkably fine grazing farm, and also produces good crops of grain.

2d. A farm of 245 acres, adjoining the town of Middleburg, well fenced, generally with stone, finely watered, and with plenty of wood. The dwelling is of brick, and is a handsome place, with all necessary out-buildings, except the barn, which was burned; a large orchard, of the most choice variety of fruit. Every acre of timber, and fine running water in eight fields. This is a first class Loudoun farm.

3d. A farm of 370 acres, on the turnpike, 3 1/2 miles east of Snickersville, with fine three story dwelling and all necessary out-buildings, except the barn, which was burned; a large orchard, of the most choice variety of fruit. Every acre of timber, and fine running water in eight fields. This is a first class Loudoun farm.

4th. A farm of 404 acres, five miles N. W. of Middleburg, near the Snickersville turnpike, fenced with stone, 100 acres of fine timber, well watered, and a good orchard. The dwelling is large, and built of brick. This farm has been somewhat neglected of late, but has been long celebrated for the large crops of grain, and the splendid beef made upon it. It is naturally first class land.

5th. A farm of 515 acres, on the Snickersville turnpike, 5 1/2 miles above Aldie. A fine dwelling, with all necessary out-buildings, except barn; the fences of stone and rails, in fair order. Wood and water and fruit in abundance. The land is in good condition, and is of superior quality.

6th. A farm near the last named, of 550 acres with a commodious stone dwelling-house, kitchen-smoke-house, barn, &c. The land is of fine quality, is well watered, and is now all in grass. The fencing has been generally injured or destroyed during the war, but there is an abundance of stone and timber upon the land to renew it.

7th. A farm of 224 acres of first rate land, 2 miles below Philmont on the Snickers Gap Turnpike. The dwelling is plain but comfortable, the out buildings good. Abundance of fine timber and pure water, good fencing, a nice orchard, 20 acres in wheat and the balance in grass.

8th. A farm of 400 acres near Middleburg, with comfortable improvements, good fencing, fine land plenty of wood, water, fruit, &c. A beautiful and productive farm.

9th. A farm of 175 acres, with 40 acres adjoining, which can be added to it, 4 miles N. W. of Middleburg. The house is small, and the out-buildings but ordinary. The land is of fine quality, well enclosed with stone, and with an abundance of wood and water.

10th. A farm of 500 acres, near the turnpike, 5 miles below Aldie, in fine grass, and is a multiple of high improvement. The fencing is of wood, and is in good condition. The buildings are indifferent. Two hundred acres of fine timber. This land will grow 1000 sheep. A small portion of the timber converted into plank would make the farm capable of being bought for \$20,000 in Virginia bank paper.

11th. A tract of land at Aldie, Va., of 700 acres, well enclosed, a large and handsome dwelling, two large barns, and shedding for stock, two tenant houses, and every necessary out building. The land is of fine quality, and there is no better estate offered for sale in Virginia.

12th. A farm of 530 acres, 3 1/2 miles from Aldie, on the Prince William and Loudoun line well enclosed. 150 acres of splendid timber and the land taken in grass. Has upon it a dwelling with roomy good barn, stables, &c.

13th. A beautiful and most desirable farm of 750 acres 2 miles North of Upperville. The land is of fine quality and generally in grass, fencing in good condition, timber and water abundant. The Mansion House is large and handsome, located on the slope of the mountain, the out-buildings in good repair and sufficient for the purposes of the farm.

14th. A farm of 525 acres 4 miles east of Aldie with comfortable dwelling and good out buildings, well fenced, good timber and water and well taken in grass.

FAUQUIER COUNTY, &c.
15th. A farm of 414 acres, near Long Branch Church, with good dwelling-house, barn and other out-buildings. The land is good and well taken in grass, and there is upon it a fine orchard, and an abundance of good wood and water. Also a good land adjoining, which will be sold with the above, or detached, as may be preferred by the purchaser.

16th. A farm of 500 acres, 3 miles south of Middleburg, with comfortable improvements, except barn, which was burned; a valuable mill site, the mill having been burned. This is a good and productive and the handsomest farm in Upper Fauquier, and no particular description is necessary. It is in perfect order, and is sold because the owner is advanced in life, has no children, and has lost all his labor.

17th. A farm of 200 acres, adjoining No. 10 with neat cottage, house, and all necessary out-buildings. The land is good, is fenced with stone, and has wood and water in abundance.

18th. A farm of 222 acres adjoining No. 10 with large stone house, kitchen, stable, &c. This is fine land, well enclosed, and most desirable property.

19th. A farm containing 400 acres, 5 miles S. W. from Salem, Fauquier Co., with comfortable dwelling (10 rooms) and all necessary out buildings in good order. The land is of fine quality, has abundance of timber and water and is well taken in blue grass. Will be sold at a desired price.

20th. A farm in Fairfax County, containing 821 acres, adjoining the famous battle-field of Manassas. The land is good, but the buildings and fencing have been nearly all destroyed. This land can be bought very low, as the owner is unable to improve it.

21st. A farm on Ivy Creek, in Albemarle Co., of 740 acres, of which 70 acres are low grounds. The improvements are good in every particular, and the land of fine quality. The farm can readily be divided, if desired.

22nd. A valuable tract of land, containing 85 acres, 1 1/2 miles from Alexandria, on the road to the Episcopal Seminary. This land was handsomely improved before the war, but the buildings and enclosures have been entirely destroyed. It has upon it several handsome buildings, and is richly diversified with fruit, and is ordered that they appear within one month after due publication hereof and do what is necessary to protect their interests. A copy teste.
